Omschrijving

Minkomatic 670 DLA
Year of manufacture: 2006
Motor: Diesel 19,4 kW / 26 PK
Transmission: Hydrostatic
Feedpump: 450 Hydraulic
Fueeltank: 18 Ltr
Tires: New Tires mounted
Weight: approx. 800 KG

Minkomatic 670 is an efficient model for mid-sized and large farms. Stability is very good due to that most of the load is on the drive wheels. It is powered by a 26hp Kubota engine and hydrostatic drive train.

Feed tank with mixer tank. All feed tanks are made of stainless steel. Feed pump is driven by hydraulics in both directions.

The machine has a modern ergonomic driver compartment. Easily accessible maintenance points make the daily

service fast and easy. Sitting in front gives excellent visibility and getting on and off the machine is easy.
